Resolved, That this Society publicly endorse the action of Mayor James M. O'Brien in his efforts to enforce the law closing saloons on Sunday in this city.

Resolved, That it is the duty of every Christian man and woman and every law-abiding citizen of Paris to endorse and sustain him in his effort, not only in enforcing this law, but all the city laws.

Resolved, That we not only heartily endorse him, but we also condemn any attempt to prevent him from carrying out his manly policy.

BOURBON CIRCUIT COURT.

Very little business is being done in Circuit Court, the usual number of orders filed, etc. From the way the term starts off it will be an unusual quiet term, unless the grand jury unearths something of a sensational nature.

Oscar Williams was sent to jail Wednesday afternoon by Judge Stout for refusing to answer questions propounded to him in the grand jury room.

Attorney Charlton Thompson, of Covington, was presented to the court by Hon. C. M. Thomas, and took the oath admitting him to practice in this court. He is here in the interest of the Germania Fire Insurance Company.

LOCATION OF FAIR GROUNDS.

It has been suggested by several that the grounds at the foot of Main street, across Houston, owned by Mrs. Frank Fithian, is the best location for the Bourbon Agricultural Society to hold their fair. It is argued for the benefit of the merchants and the town this is by far the logical site. A bridge would have to be erected over Houston, which is shallow, especially in the fall, would be convenient for the L. & N., for a stop at the old depot site would be near enough, for you would then not have to walk three blocks to the ground. The old fair ground property is really the best place, but some think the property in front of J. A. Lyle's country home will be selected. Either of them will do so we have a fair. But the property first referred to could be made an ideal fair grounds.

FOR SALE.

ENDORSE CANDIDATES.

By the practically unanimous choice of the breeders in Central Kentucky, the names of J. N. Camden, Jr., of Versailles; Thomas C. McDowell, of Lexington, and Col. E. F. Clay, of Paris, were selected to be presented to Governor Beckham for appointment by him as members of the State Racing Commission created by the new law recently enacted.

TALK OF NEW HOTEL.

It has been rumored for several days that a company would be formed to buy the property on Bank Row between the Elks' building and Boardman's livery stable, and that a handsome hotel would be erected on the site. Mr. J. C. McLeer, proprietor of the Windsor Hotel, was said to be at the head of the syndicate. He informed us that the report was true in regard to that being his desire. That if he could get assistance and could buy the property mentioned at reasonable figures he would erect a building there that would be a mate to the Elks' building; that he would agree to take a lease on the house for a number of years, and to show that his intentions were good he would take from \$10,000 to \$15,000 worth of stock in the enterprise. This would make an ideal site for an up-to-date hotel.

TURNPIKES TO BE REPAIRED.

Road Supervisor C. F. Redmon has awarded contracts for repairing seventy of the turnpikes of the county. There will be 2,130 rods of crushed rock spread upon the roads, costing \$15,345.50. Twelve other roads requiring 300 rods of metal have not been let. There are 300 miles of macadamized roads in the county, requiring an annual expenditure of approximately \$30,000.

CAUGHT NAPPING.

Judge Stout ordered Forrest Lawrence to jail yesterday afternoon on his failure to give a \$500 bond to keep the peace. Lawrence's wife was present at the time and became hysterical when Jailer Judy started to jail with her husband. She was finally taken from the room.

At the last March term of Circuit Court Lawrence was fined \$100 for engaging in a cutting affray, and before the adjournment of court quietly walked out and disappeared. He was recognized by Deputy Sheriff A. S. Thompson yesterday afternoon and taken at once before the grand jury. Leonard Watson was testifying before the grand jury at the time in a case against Letton Lawrence, a brother of Forrest Lawrence, for cutting the negro Leslie Clark a few months ago. Watson at once recognized the prisoner and stated to Mr. Wm. Clark, the foreman of the grand jury, that he was the man who had threatened his life if he testified against his brother. The prisoner was at once taken before Judge Stout and he put him under the above peace bond.
